

# Revolution Scrubbles Apron Cleaner

683447, 683448

Revolution Scrubbles apron cleaner is the first and only cleaning solution developed specifically for aprons. Scrubbles apron cleaner safely cleans your aprons of barium, blood and other common radiology related stains. Now with a clean citrus scent and a stronger more efficient formula, your apron will be cleaner than ever!

## Cleaning Instructions

1. APPLY Scrubbles on one section of the apron at a time and allow to stand a few minutes
2. SCRUB the area with the soft bristle brush. Do not let the solution dry before rinsing
3. RINSE the section with water and damp cloth.
4. CONTINUE steps 1-3 until the entire apron is clean.
